

Occupational Safety and Health (Classification, Labelling and Safety Data Sheet of Hazardous Chemicals) Regulations 2013

**SECTION 1: IDENTIFICATION OF THE SUBSTANCE/MIXTURE AND OF THE COMPANY/UNDERTAKING**
**Product Identifier**

Nama Produk **OPTIZYME™ AAR I**  
 Product Description: **OPTIZYME™ AAR I**  
 Cat No. : **BP8069-1**

**Relevant identified uses of the substance or mixture and uses advised against**

Recommended Use Laboratory chemicals.  
 Uses advised against No Information available

**Details of the supplier of the safety data sheet**

Company Fisher Scientific (M) Sdn Bhd No. 3, Jalan Sepadu 25/123,  
 Taman Perindustrian Axis, Seksyen 25,  
 40400 Shah Alam, Selangor Darul Ehsan, Malaysia.

Supplier  
 E-mail address Enquiry.my@thermofisher.com

**Emergency Telephone Number**  
 (603) 5122 8888

**SECTION 2: HAZARDS IDENTIFICATION**
**Classification of the substance or mixture**
**Label Elements**

Signal Word Based on available data, the classification criteria are not met

Hazard Statements

Precautionary Statements

**Other Hazards**
**SECTION 3: COMPOSITION/INFORMATION ON INGREDIENTS**

| Component | CAS-No    | Weight % |
|-----------|-----------|----------|
| Water     | 7732-18-5 | 25 - 50  |
| Glycerin  | 56-81-5   | >50      |

# SAFETY DATA SHEET

OPTIZYME™ AAR I

Revision Date 07-Feb-2020

## SECTION 4: FIRST AID MEASURES

### Description of first aid measures

|                                           |                                                                     |
|-------------------------------------------|---------------------------------------------------------------------|
| <b>Eye Contact</b>                        | Rinse skin with water.                                              |
| <b>Skin Contact</b>                       | Wash off with water.                                                |
| <b>Ingestion</b>                          | Rinse mouth. Never give anything by mouth to an unconscious person. |
| <b>Inhalation</b>                         | Remove to fresh air.                                                |
| <b>Self-Protection of the First Aider</b> | No special precautions required.                                    |

### Most important symptoms and effects, both acute and delayed

No information available.

### Indication of any immediate medical attention and special treatment needed

**Notes to Physician** Treat symptomatically.

## SECTION 5: FIREFIGHTING MEASURES

### Extinguishing media

#### **Suitable Extinguishing Media**

Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.

#### **Extinguishing media which must not be used for safety reasons**

No information available.

### Special hazards arising from the substance or mixture

No information available.

### **Hazardous Combustion Products**

None under normal use conditions.

### Advice for fire-fighters

As in any fire, wear self-contained breathing apparatus pressure-demand, MSHA/NIOSH (approved or equivalent) and full protective gear.

## SECTION 6: ACCIDENTAL RELEASE MEASURES

### Personal Precautions, Protective Equipment and Emergency Procedures

Ensure adequate ventilation.

### Environmental precautions

Do not flush into surface water or sanitary sewer system. Prevent further leakage or spillage if safe to do so. See Section 12 for additional Ecological Information.

### Methods and Material for Containment and Cleaning Up

Soak up with inert absorbent material.

### Reference to Other Sections

# SAFETY DATA SHEET

OPTIZYME™ AAR I

Revision Date 07-Feb-2020

Refer to protective measures listed in Sections 8 and 13.

## SECTION 7: HANDLING AND STORAGE

### Precautions for Safe Handling

Handle in accordance with good industrial hygiene and safety practice.

### Conditions for Safe Storage, Including any Incompatibilities

Keep container tightly closed in a dry and well-ventilated place. Store product at -20C.

### Specific End Uses

Use in laboratories.

## SECTION 8: EXPOSURE CONTROLS/PERSONAL PROTECTION

### Control Parameters

| Component | Malaysia | ACGIH TLV | OSHA PEL                                                                                                                           |
|-----------|----------|-----------|------------------------------------------------------------------------------------------------------------------------------------|
| Glycerin  |          |           | (Vacated) TWA: 10 mg/m <sup>3</sup><br>(Vacated) TWA: 5 mg/m <sup>3</sup><br>TWA: 15 mg/m <sup>3</sup><br>TWA: 5 mg/m <sup>3</sup> |

| Component | European Union | The United Kingdom                         | Germany                                                                                                                                               |
|-----------|----------------|--------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------|
| Glycerin  |                | TWA: 10 mg/m <sup>3</sup> 8 hr (mist only) | TWA: 200 mg/m <sup>3</sup> (8 Stunden). AGW<br>- exposure factor 2<br>TWA: 200 mg/m <sup>3</sup> (8 Stunden). MAK<br>Höhepunkt: 400 mg/m <sup>3</sup> |

### Exposure Controls

#### Engineering Measures

None under normal use conditions.

### Personal protective equipment

#### **Eye Protection**

Wear safety glasses with side shields (or goggles)

#### **Hand Protection**

Protective gloves

#### **Skin and body protection**

Long sleeved clothing

Inspect gloves before use.

Please observe the instructions regarding permeability and breakthrough time which are provided by the supplier of the gloves.  
(Refer to manufacturer/supplier for information)

Ensure gloves are suitable for the task: Chemical compatability, Dexterity, Operational conditions, User susceptibility, e.g. sensitisation effects, also take into consideration the specific local conditions under which the product is used, such as the danger of cuts, abrasion.

Remove gloves with care avoiding skin contamination.

#### **Respiratory Protection**

No protective equipment is needed under normal use conditions

#### **Recommended Filter type:**

Particle filter

### Hygiene Measures

Handle in accordance with good industrial hygiene and safety practice

# SAFETY DATA SHEET

OPTIZYME™ AAR I

Revision Date 07-Feb-2020

**Environmental exposure controls** No information available

## SECTION 9: PHYSICAL AND CHEMICAL PROPERTIES

### Information on basic physical and chemical properties

|                                         |                          |                                   |
|-----------------------------------------|--------------------------|-----------------------------------|
| Appearance                              | Colorless                |                                   |
| Physical State                          | Liquid                   |                                   |
| Odor                                    | Slight                   |                                   |
| Odor Threshold                          | No data available        |                                   |
| pH                                      | 7.4                      |                                   |
| Melting Point/Range                     | No data available        |                                   |
| Softening Point                         | No data available        |                                   |
| Boiling Point/Range                     | No information available |                                   |
| Flash Point                             | Not applicable           | Method - No information available |
| Evaporation Rate                        | No data available        |                                   |
| Flammability (solid,gas)                | Not applicable           | Liquid                            |
| Explosion Limits                        | No data available        |                                   |
| Vapor Pressure                          | No data available        |                                   |
| Vapor Density                           | No data available        | (Air = 1.0)                       |
| Specific Gravity / Density              | No data available        |                                   |
| Bulk Density                            | Not applicable           | Liquid                            |
| Water Solubility                        | Miscible                 |                                   |
| Solubility in other solvents            | No information available |                                   |
| Partition Coefficient (n-octanol/water) |                          |                                   |
| Component                               | log Pow                  |                                   |
| Glycerin                                | -1.76                    |                                   |
| Autoignition Temperature                | Not applicable           |                                   |
| Decomposition Temperature               | No data available        |                                   |
| Viscosity                               | No data available        |                                   |
| Explosive Properties                    | No information available |                                   |
| Oxidizing Properties                    | No information available |                                   |

## SECTION 10: STABILITY AND REACTIVITY

### Reactivity

No.

### Chemical Stability

Stable under normal conditions.

# SAFETY DATA SHEET

OPTIZYME™ AAR I

Revision Date 07-Feb-2020

## Possibility of Hazardous Reactions

**Hazardous Polymerization** No information available.  
**Hazardous Reactions** No information available.

## Conditions to Avoid

No information available.

## Incompatible Materials

No information available.

## Hazardous Decomposition Products

None under normal use conditions.

## SECTION 11: TOXICOLOGICAL INFORMATION

### Information on Toxicological Effects

#### Acute Toxicity

#### Toxicology data for the components

| Component | LD50 Oral           | LD50 Dermal          | LC50 Inhalation              |
|-----------|---------------------|----------------------|------------------------------|
| Water     | -                   | -                    | -                            |
| Glycerin  | 12600 mg/kg ( Rat ) | > 10 g/kg ( Rabbit ) | > 2.75 mg/L/4h ( Rat )(mist) |

#### Chronic Toxicity

**Carcinogenicity** There are no known carcinogenic chemicals in this product

**Sensitization** No information available  
**Mutagenic Effects** None known  
**Reproductive Effects** No information available  
**Developmental Effects** No information available  
**Target Organs** No information available.

## SECTION 12: ECOLOGICAL INFORMATION

### Ecotoxicity effects

| Component | Freshwater Fish                                            | Water Flea                               | Freshwater Algae | Microtox |
|-----------|------------------------------------------------------------|------------------------------------------|------------------|----------|
| Glycerin  | LC50: 51 - 57 mL/L,<br>96h static<br>(Oncorhynchus mykiss) | EC50: > 500 mg/L, 24h<br>(Daphnia magna) |                  |          |

# SAFETY DATA SHEET

OPTIZYME™ AAR I

Revision Date 07-Feb-2020

## Persistence and degradability

### Persistence

Miscible with water, Persistence is unlikely, based on information available.

## Bioaccumulative potential

; Bioaccumulation is unlikely

| Component | log Pow | Bioconcentration factor (BCF) |
|-----------|---------|-------------------------------|
| Glycerin  | -1.76   | No data available             |

## Mobility in soil

The product is water soluble, and may spread in water systems. . Will likely be mobile in the environment due to its water solubility. Highly mobile in soils.

## Other adverse effects

No information available

## SECTION 13: DISPOSAL CONSIDERATIONS

### Waste treatment methods

#### Waste from Residues/Unused Products

Dispose of in accordance with local regulations

#### Contaminated Packaging

Empty containers should be taken to an approved waste handling site for recycling or disposal

## SECTION 14: TRANSPORT INFORMATION

### IMDG/IMO

Not regulated

### Road and Rail Transport

Not regulated

### IATA

Not regulated

### Special Precautions for User

No special precautions required

## SECTION 15: REGULATORY INFORMATION

### Safety, health and environmental regulations/legislation specific for the substance or mixture

#### International Inventories

X = listed
